Recruitment

A&S Integrated Services are providers of both temporary and permanent technical recruitment solutions. We have a global reach and we resource your personnel with a refreshingly honest approach.

Our Management Team have a wealth of experience, including over 20 years working in recruitment, meeting our client's various and sometimes challenging requirements. We will respond to your enquiry promptly and keep you updated regularly with our progress on all requests.

A&S Integrated Services Ltd has three Directors, a Subsea Manager with over 27 years of experience in the off-shore drilling industry, a Recruitment Director with over 22 years of experience in the technical recruitment industry and a qualified accountant with over 30 years of experience in recruitment and payroll solutions at director level. Between the three of us we have a wealth of experience and knowledge covering various aspects of technical recruitment.

Payroll

A&S Integrated Services can facilitate payroll solutions through our partner company Bar 2 (www.bar2.co.uk) The two companies have close ties and can work in unison to ensure both swift and efficient payroll requirements.

We have arrangements in place for foreign nationals working in overseas jurisdictions, either through their own Limited Company or directly.

We can also manage payrolls of hundreds of personal for third party agencies or clients.
